Dear Miami  
Hockey Friends,

We are extremely excited to begin the 2009-10 hockey season. It will include one of the toughest schedules in the country. In addition to our challenging CCHA schedule are non-conference games versus New Hampshire, St. Cloud State, North Dakota, Robert Morris and last year's Frozen Four opponent Bemidji State. The Brotherhood will continue to focus on daily improvement and the goal of becoming champions. We invite you to be part of another season and as always appreciate all the support.

The Blue Line Club's support is invaluable to our program and has been a vital part of our success since its inception in 1977. The Club directly supports our hockey program and hosts several major events each year such as our Fall Picnic, Canadian Thanksgiving, Parent's Night, Rico's Ristorante, and our annual Night of Celebration at the end of the season. New this year is our Hockey 102 that will focus on our systems and special teams units, as well as two Q&A dinners where you will get a chance to personally ask me and other members of our program your questions about Miami Hockey. The Blue Line Club also supports activities such as Skate with the 'Hawks, Autograph/Photograph Night, and our e-newsletter. We are hoping that you will show your support by joining this prestigious club and become a member of the Miami Hockey family. Remember, your paid membership to the Blue Line Club has its privileges starting with our cookout on September 13th immediately following our Skate with the 'Hawks at 4:00 p.m.

Thank you for your support of Miami RedHawk Hockey. I look forward to personally meeting you at a Blue Line Club sponsored event!

Sincerely,  
Enrico Blasi '94
