Dear Miami Hockey Friends,

We are extremely excited to begin the 2011-12 hockey season. In addition to our challenging CCHA schedule are non-conference games versus Bemidji State, Colgate and Denver. The Brotherhood will continue to focus on daily improvement and the goal of becoming champions. We invite you to be part of another exciting season and as always appreciate all the support.

The Blue Line Club's support is invaluable to our program and has been a vital part of our success since its inception in 1977. The Club directly supports our hockey program and hosts several major events each year such as member only dinners with our coaches and players, Canadian Thanksgiving, Parent's Night, Rico's Ristorante, and our annual Night of Celebration at the end of the season. New this year is our Pre-game Scouting dinners that will focus on examining in detail the upcoming opponent, as well as a Q&A dinner with players. The Blue Line Club also supports activities such as Skate with the 'Hawks, Autograph/ Photograph Night, and our e-newsletter. We are hoping that you will show your support by joining this prestigious club and become a member of the Miami Hockey family. Remember, your paid membership to the Blue Line Club has its privileges starting with our kick-off event on Wednesday, October 5th.

Thank you for your support of Miami RedHawk Hockey. I look forward to personally meeting you at a Blue Line Club sponsored event!

Sincerely,
Enrico Blasi '94
